Standard Agenda Items:

Sadhana: Hari Krishan Kaur can take the signs down at awakenings. Manvir's offer to have sadhana at his house? He's got a roommate who is ok with it. There is a noise factor due to where he lives. Who is a sadhana leader: Hardev (Friday), Hari Krishan (Wed), Guru Surya (Thursdays), HSP (Monday), Tuesdays and weekends need a leader. Issues for why we downsized: poor attendance, lack of leaders, \$\$\$. It could be at Manvir's daily except Sundays (large group sadhana). Potluck and live music first Sunday of the month. We need rotation of leaders on Sundays. 6 days a week at Manvir's home starting January 1st. Word of mouth for the first month, just to see how it goes with noise, parking, etc. Waivers should be at his house.

Sundays at Awakenings: Hardev, Hari Krishan, Harsimranpreet, Guru Surya, Hari Prem, Siri, Hari Dass, Manvir

Kundalini Classes:

Living Social ad is going out today. They are expecting a big crowd next week and are ready for it! Ad is \$25 for a monthly unlimited class pass. You have a couple months to start that and it lasts for 30 days. Ajeet has been handling this. Challenge will be if 50 people show up. Siri will show up and help out. Chloe on Monday, Ajeet Tuesday, Siri on Wednesday. Living Social gets half.
